Henfield Festival of Arts 2011

Follow our trail through the village to discover interesting & varied gardens & artists' houses.

The gardens are all shapes & sizes. A few have wheelchair access, some will be serving homemade teas, cakes or lunches, some selling plants & some hosting music events.

Artists' houses will display a variety of art & crafts such as ceramics, jewellery, paintings, photography, sculpture & woodwork.

Entrance to all the gardens is free, but voluntary charitable donations will be gratefully received.

This year we will be supporting no less than three main charities, none of which receive any public funding and all of which have charitable status:

The Busy Bees and Warren Playgroups support pre-School learning in the Henfield area, while the Brighton Festival Youth Choir offers children across Sussex the opportunity to sing and perform a wide range of musical styles under expert vocal and musical tuition.

Festival of Gardens & Arts

with tempting displays of art & crafts, music
events & food too...
